

SCA Packaging Europe

SCA Packaging is a European leading provider of custom-specific packaging solutions with emphasis on state-of-the-art design and local service close to customer facilities. With a product portfolio that includes transport, consumer and display packaging, customized protective packaging, industrial packaging and heavy duty, SCA Packaging answers to each market requirement.

SCA Packaging is Europe's second largest producer of containerboard paper used for the manufacturing of corrugated board. SCA Packaging creates value through knowledge of the needs of consumers and customers, regional presence and efficient production.

SCA Packaging is a member of the SCA global consumer goods and paper company that develops, produces and markets personal care products, tissue, packaging solutions, publication papers and solid-wood products.
